and Common-Law-Claim⁴ Rights Under Color-of-Law⁵

Sidney, Richard, Susan: Greetings;

i: man am writing: because i filed a Common-Law-Claim, “claim”, for suit into the federal court in Phoenix, Arizona for an amount in controversy greater than 20 dollars in property-forfeited-to-me⁶. And, administratively, i must make you aware of the destruction⁷ of my rights violations surrounding that case because Ranier and Brian, the Chief Judge- USDC-AZ and the Clerk of Court- USDC-AZ, respectively, are involved in the groups' wrong-doings destroying my claim. And, finally, because you are

the only next responsible party in the 9th Circuit Court for addressing the harm and loss i allege, i want my Common-Law-Claim filed and proceeding with no abuse actions against me.

Section I: Offenders; the Group

For nearly four months, beginning January 04, 2017, my Claim has been destroyed by an employee- “group”⁸ within the 9th, Circuit United States District Court⁹, “USDC”, Phoenix, Arizona. As explained below under Section III, the group's disregard for my fundamental-and-substantive-rights, rather than the protection of my rights, is a violation against¹⁰ the sovereign people, “people” – the same United-States-of-America-people giving rise to the government for the United States, the United States government, “USgov”, and under it, the inferior-courts.

Section II: The Contract

Understanding Almighty God, the people of the United States formed-the-Constitution¹¹ for the people of the United States, under which the USgov was delegated authority¹² to serve: to establish statutory¹³ judicial rules and inferior courts¹⁴. To wit:

a) No statute, and No code, and No rule on any level of the USgov may exceed the Constitutional limits of authority delegated to it by the people; b) The people are forever sovereign over the USgov. And, c) the USgov is forever bound by the Constitution contract: to understand the limits, duties, and obligations of the authorization enabled it. This is common knowledge in fact and in public records.

Section III: Breach of Contract

i presented a claim for filing suit with trial-by-jury¹⁵, for the recovery of my property re: “Hill v Lynch”
In The Hill Court; 'A Federal Court'

**at 'District Court of the united States
for Phoenix Arizona', U.S.A.**

Claimant Case No: CMN 7009 1410 0000 7868 5703 ”

The USDC- Phoenix assigned Case No. CV-17-00026-PHX-BSB.

But, my Common-Law-Claim presentment was Not filed for suit as ordered. Instead, the group, at the USDC- Phoenix Clerk of Court, et al.: 1) changed¹⁶ the court¹⁷, 2) changed the trial-by-jury, and 3)

8 **employee- “group”** means: a) Ranier, acting as Chief Judge and b) Brian, acting as Clerk of Court, (c) et al. employees under Ranier/ Brian: USDC-Ariz., Phoenix

9 **USDC** means: an inferior court under the authority of the government for the United States of America

10 **against** means: in opposition to, adverse, hostile

11 **formed-the-Constitution** means: “We the **people** of the United States, in Order to form a more perfect Union, ... do ordain and establish this Constitution for the United States of America.” Constitution for the United States of America, 1787: preamble.

12 **authority** means: formal approval or sanction given; authorization

15 **trial by jury, try by jury** means: judicial examination of the facts/ law of a matter by the **jury**, a set of people selected to try a matter and render a verdict ~ USDC- Phx No. CV-17-00026-PHX-BSB. changed the jurisdiction¹⁸: 3a) without¹⁹ my counsel, 3b) with No-authorization²⁰, and 3c) without jurisdiction; then, they 4) did not issue summons; and, 5) a month later wrote ostensibly²¹ that they would not issue summons unless I agreed to substitute their jurisdiction. **Neither the USgov nor an inferior court under it has authorization from the people in the Constitutional contract to impose²² wanton abrogation²³ of fundamental or substantive or common law rights upon the people (upon i: man).** To this, any and all presumption of authority for the group's any changes to my claim has been expressly denied²⁴.

Section IV: Intent and Damage

The Arizona group implemented an obscure²⁵ color-of-law scheme using 'rules' and standard-operating-procedure²⁶ with No authority under the USgov to systematically- deprive²⁷ the people of their (i: man of my) fundamental, substantive, and common law rights. The record reflects that the group ostensibly sought to obtain jurisdiction over my claim by willful deception and coercion.

At minimum the group members exceeded the USgov Constitutional authority, and did harm and cause loss upon i: man, and with regard to the trespass-upon-the-case²⁸ of the Common-Law-Claim for suit for an amount in controversy greater than twenty dollars. See Constitution (1787); Bill-of-Rights²⁹ (1789), Amendment VII³⁰, IX³¹ and X³².

29 **Bill-of-Rights** means: “.... [I]n order to prevent misconstruction or abuse of its powers [] further declaratory and restrictive clauses should be added: ARTICLES in addition to, and Amendment of the Constitution of the United States of America...”

30 **Amendment VII** means: “**Article the ninth** In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved....” Constitution for the United States of America, 1787; Bill of Rights, 1789.

agreeance³³ -on default³⁴ upon any trespass-upon-the-case, the group members persisted to impose a deprivation of rights scheme or scam against i: man, one of the people. **Therefore**, upon your receipt of this notice i require³⁵ that: a) this deprivation of rights in breach of Constitutional contract in all its forms of trespass-upon-the-case must be ceased and desisted hereto-forever post haste; b) my Common-Law-Claim presentments must hereto-forever be filed as ordered; c) This deprivation of rights must No longer be permitted; and, d) i: man must be made whole³⁶. **I would want to know so to repair the wrong-doings occuring under my oath, authority, duty and obligation, and reputation.**

Section VI: Conclusion

There is No USgov authority nor inferior court authority under the USgov for the protection³⁷ of the group's wrong-doings against i: man's (against the people's) inalienable rights or substantive rights or rights to common law claim. The group members knew or should have known that **this deprivation of rights by any USgov subordinate was NEVER supposed to be imposed or allowed to happen to the people (to i: man) of the United States of America.** And,

This deprivation of rights against the people (i: man) hereto-forever must Not ever be tolerated.

i, say here, and will verify in open court, that all herein be true.
