Re: The urgency of the #EBA-1933-A.D. -Trust Account-render, Settle, and Closure with the hope against the poverty the #EveryStateCountryMan has been enduring, and before Your-Trust- property is -again-encumbered.

To: **Bless-God in -:Heaven;** Family: Ohioans, Yacob-/Ysrael, Holy-Church -Soul-journers: #EveryStateCountryMan

: #CSSCPSG -Format

The -:CSSCPSG -format is for the expedience in the syntax with the support against the pervasive-legal-political-spinning and legalism-propaganda against the #EveryStateCountryMan concerning the New-Deal of the #EBA-1933-A.D.

[i- man was birth-born-Ohioan-©-1958-A.D. ~25 years~]

: #EBA1933AD -Trust

An -:entire-nation is held as the surety-collateral-dead-trust. In the dark-time of the implementation of the #EBA1933AD is when-began the -:dumbing-down and lack of the public-education about the government, law-legal, and politics.

:2003-A.D.-now: The EBA-1933-A.D. is dead, so where is the Account-Settle and Closure with the return of the property-trust-accounts to the #EveryStateCountryMan ? Well, 'they' want it: about-: **10^129 zeros** of the hard-money.

The -:urgency. Two-things can happen by the Grantor (YOU): **1) Account**, Settle, and Close the CQV-T- debenture, and take the money, or **2) Not Account**, stay a -:ward and the will keep your money for seven to nine -decades >> 2110-A.D.

How is it that we were not told about this? :You were 'told'; it is written in the federal registers, Congress-reports, @DarBenThu1 etc.-others since 1789-A.D. in the legalese, etc., etc. #EveryStateCountryMan is an EBA-1933-A.D. - trillion-aire.

Because you are my family. a) If not me then who? b) Did i- man mention how that these people REALLY HATE YOU? And, well, c) at this point [Remember- :lie, steal, kill?], would they kill you for the gi-normous-extreme-magnanimous-tons of the trillions of the real-money? **What's left? C-19? WWW IV? Starvation? Crisis?**

What can be done? The only way for you and your family, friends, community, nation to survive is to Grantor-up and administer your own Account. Now, is the time and you have help. God's will be done.

Bless-God in -:Heaven, Shalom.
